

About Us

China Council for the Promotion of International Trade(CCPIT) is one of the most influential international trade and investment promotion institutions in the world. At present, there are more than 150,000 enterprise members. We have established close cooperation with more than 300 industrial and commercial organizations in more than 100 countries and regions, with over 30 representative offices in the world and over 800 local and trade promotion conferences in China.

CCPIT IT CENTER uses the internet, Big data and cloud computing technology to build a comprehensive trade information platform to help Chinese enterprises improve their competitiveness in the international market.
